

The purpose of the Transform programs is to assist with the transforming and renewing of our minds - a new way of thinking, to overcome and control the overload of preconceived notions and indoctrination we have been exposed to all of our lives, and the reasons for it - to control us and our property; to understand what we have been involved in, and to see the things that have been hidden from us in plain sight. To see how we've been tricked into turning away from God for a new god, and breaking His laws, not even realizing that we were breaking them by being self governing, sitting in His seat, wearing a mask and appearing as something we are not, claiming things we had no right to and thinking more highly of ourselves than we should have; thinking that we had religious freedom, while the opposite is true, the Word of God had to be controlled or the

legal system would become undone by every man returning as the prodigal son.

Transformation occurs when we are able to see and discern reality and truth from fiction, the imaginary and deception, be wise as serpents but harmless as doves, knowing who we are, what we are, and where we are, what our limitations are, based on not what we believe, but what we know is true; God and The Law are reality. Our consolation is that we have a Second chance, through Baptism to be reconciled to God through His Son, Jesus, and be pardoned, restored, renamed and redeemed. Able to know our Creator and Owner, no longer blind, but able to see the invisible things of God by the visible things; and to know that we are part of His creation that He made, humbling ourselves, acknowledging our true identity, and that

our duty is to Him, to just be who and what He made us to be, the children of God.

#1 Mindless Mind

Eyas * Passage * Haggard - (Age of Bird when exposed to man)
Man goes through similar stages, except open to programming

We are like haggard, cannot change it, but can get control of it.

Biggest Hurdle = Vanity/Ego

(We THINK we are more than what we REALLY are.) *Humble yourself

C: Knowledge comes from the senses. Everything else is nonsense.

#2 Right or Wrong

C: No innate quality of right & wrong in man; born with mindless mind.

C: Real Law has to do with right and wrong, secular involves legal and illegal (they are not the same, or there wouldn't be different words.)

Attorney of Record - "John Doe appearing for the defendant"

C: You can never BE what you are APPEARING AS.

**C: 1st Principles: Origin, Source = Weightier Matters of The Law
God made it all, we came into the world with nothing. We do KNOW
that we didn't make it.**

C: Deem (treat as if). If you are deemed to be something else, that means you already are something. Who/what are you?

#3 Likeness 1&2

Likeness = image of its maker

C: Every being has a maker, except for the self-existent One, God.

C: Every being has the likeness of its maker.

C: Identity: What you are “of” or “from” ; Sameness of being.

2nd Commandment forbids making unto thee a graven image, the likeness of anything in the heavens above or the earth beneath...

C: If you make a likeness, you make yourself a new face (mask) and change your maker, what you are of or from, what you are related to, born of...

Tower of Babel “Behold, the people is as One....which they IMAGINED to do”.

C: Nobody realizes that by being self governing, they are acting as God, sitting on His throne, breaking 1st Commandment.

#4 Jurisdiction A,B,C

Genesis 1:1 - statement of ownership

God is king, judge and lawgiver - REAL Law never changes, perfect law of liberty.

C: Don't have FREEWILL - you have a CHOICE.

C: You ARE PART of the creation.

C: Every person is a man wearing the mask. An actor playing the role.

C: Unlawful conversion: changing identity and claiming what doesn't belong to us (stealing).

C: Jurisdiction = Whose is it?

C: "Out of many we are one" - transgresses 1st Commandment

Baptism = Passover = Pardon

**Confess, Contritely Repent, Promise Never Again, Ask Forgiveness,
Accept the Pardon**

Restored, renewed, renamed, reborn, regenerated, new covenant.

#5 Owner

The rule of law in every country/society is like father/son relationship.

The Law: Whose is it? Who is the Owner?

Answer: Whoever Made It, has all power over it and makes the rules.

A fool is someone who has been tricked.

Deceive: to mislead the mind, to cause to believe what is false or
disbelieve what is true.

C: Determine who your lawgiver is and that is the god that you serve.

#6 The Trick

**What is the reason for the Trick? Control of you & your property you
you attorning and changing your maker.**

Make a new identity and appear as it = fraud COUNTERFEIT

Attorn (turn away from)

Personify (give body to),

} All FRAUD

Appear As (seems to be, as opposed to reality)

**C: You are not born into a country, you have to join, claim to be,
become a member of the club - legal identity involves DOB and place.**

C: Real identity = born of, related to, likeness of

C: Court has jurisdiction over you by your appearance, it is by your name that you appear. "State your name for the record."

C: NO ONE CAN MAKE YOU COMMIT FRAUD. Any attempt by the court to get you to attorn is extortion.

C: Why do we have to do this? Because we got rid of God for a new maker, because we don't know The Law.

C: In God's kingdom, everything is God's; In Canada everything is Canadian.

#7 Amazing Grace

**The Scriptures proves God's prior and superior claim to everything, including you. His claim cannot be disputed. It is The Law.

Grace = unmerited love.

C: Nothing comes from nothing.

C: Ability to choose - to KNOW your creator. Invisible things of God are clearly seen by the visible things.

Through baptism, everything returned/restored to God, your body, your life, everything.

It is by your name that you appear; New name, of God - renamed, reborn; act as a son of God, doing His will, by His authority with the life and body He gave you.

**The four gospels are the precedents, 4 witnesses' testimony. The testimony of God cannot be defeated.

Protection of your owner, Put on the armor - God's Word - know how to answer every man. Strategy for those that come against you.

#8 Fiction of Law

Equity = Just, right and proper. Iniquity = unjust

“Roman praetors, INVENTED Under the PRETENSE of doing equity, ASSUMES as a FACT what is KNOWN to be CONTRARY to TRUTH....to prevent EVIL EFFECTS.”

C: Be wise as a serpent, but harmless as a dove. Be able to recognize the deceptions, and what things really are.

Deem: keep in the mind or convey as a conviction; take for; view as; to judge or reach a conclusion.

C: A fact which is DEEMED is not irrefutable, but merely a rebuttable presumption - it will stand unless/until proven otherwise.

“If your whole life you have been DEEMED TO BE and TREATED AS IF you are something which you are not, and can REBUT this PRESUMPTION with PROOF, I would say you have been REDEEMED. Who is your Redeemer?”
